

WEIM GOVERNANCE REVIEW COMMITTEE EXECUTIVE SESSION MEETING – DISCUSSION QUESTIONS

On August 29, 2022, the WEIM Governance Review Committee (GRC) will meet in general session to discuss [comments received](#) on the EDAM Governance Straw Proposal, published July 15, 2022.

During this meeting, GRC members will invite panelists and stakeholders calling in to respond to the following questions:

- 1) From your perspective, what are the most important issues around Delegation of Authority that you want the GRC to consider in its evaluation of comments and options?
- 2) What material changes or ideas from comments around Stakeholder Engagement do you want the GRC to consider in its evaluation of comments and options?
- 3) What considerations would you like the GRC to have on issues related to the size and compensation of the WEIM Governing Body or the bylaws for the ISO Board of Governors?
- 4) From your perspective, what other aspects of governance or other ideas offered by stakeholders do you think are important for the GRC to explore?
